Dr. Tanvi earned her Phd from the Business School at the University of Pittsburgh in the area of Organisational Behaviour, Human Resources and Information Systems.

PAST TESTIMONIALS OF THE COURSE TRAINER

“Dr Tanvi’s approach to Executive Presence is powerful. Unlike most program which train or focus on the “steps”, “traits” and “tools” of Executive Presence, I like her engaging approach in leading us to internalize the profound concept. She simplified it, powered by action packed activities, inspirational, authentic and such a mastery in storytelling. Highly recommended!” – **Rachel Foo, Country Head, Human Resources, Merck Group**

“It was an absolute pleasure and an enriching learning experience attending Dr. Tanvi’s session focusing on helping raise our game as leaders. Her inputs were thought provoking and the learnings gathered from the discussions were profound. She is a highly engaging speaker that brings real world consulting and coaching experiences into the room allowing us to expand our mental models and capabilities tremendously.” – **Abhay Parashar, Talent & Development Lead, The Absolut Company**

“Tanvi was phenomenal in her storytelling workshop for senior leaders. She helped us navigate through the art of communicating effective stories that resonates, even if we have a “dry topic” to pitch. I enjoyed her expert insights and her commanding presence in honing this often-neglected skill set – a solid Business or personal story resonates and will help one secure support and resources for causes we represent. Dr Tanvi is masterful and highly recommended for anyone who wants to raise the bar.” – **Frederick Fong, Head of Asia, Women’s Health Franchise, Zuellig Pharma**

“I had the chance to attend Dr. Tanvi's story-telling workshop as part of our annual HR Conference agenda in 2019. Given the humble duration of the workshop, I'm impressed by the connectedness and relevancy of the skill that linked to HR agenda. Her skills to deliver the workshop was also top-notch that captured everyone's focus and thrilled us with the stories told. I would be happy to have more time on this topic next.” – **Vu Nguyen, HR Manager – Talent Management, Suntory Beverage & Food Asia**

WHY YOU SHOULD ATTEND

Imagine someone who is able to draw all eyes to him or her the moment he/she walks into a room. This person carries with him/her an air of gravitas and charisma, and you immediately know that the person is in charge – not because he/she is bossy or demanding, but because this person naturally gives off a sense of credibility and influence. And when this person talks, he/she conveys his/her thoughts and messages with such remarkable clarity that the words inspire action in all who are present.

Now imagine this person is you.

With our brand-new webinar series on executive presence and corporate storytelling led by Dr Tanvi Gautam, you can become an influential HR leader and influencer whose views are respected and valued by senior stakeholders and employees. Dr Gautam has been listed as one of the Top 25 HR Influencers on Social Media by SHRM-I for 5 years in a row and was awarded for Teaching Excellence by SMU in 2019.

Too often, failures to gain C-suite or employee buy-in have served as roadblocks to the successful implementation of new HR initiatives. To be an effective leader these days, it is not enough to just know how to do your job. How people perceive you and how you communicate are essential leadership requirements to have if you want to accelerate your career.

This 12-hour online workshop teaches two evergreen skills to HR leaders and professionals who aspire to be influential leaders in their organisations:

1. Improve your credibility and influence as a HR professional through enhancing your personal branding and executive presence.
2. Learn to communicate effectively when leading change, making important recommendations and handling delicate issues through effective corporate storytelling.

Delivered in four half-day webinar sessions, you will learn to define and consistently live your personal brand as an influential and impactful HR leader, and gain the knowledge to apply storytelling to high-stakes meetings as well as other HR imperatives such as L&D, onboarding, culture and coaching.
